

**EUROPEAN OPEN  
SCIENCE CLOUD**

# The EOSC Portal

The what, the why and the who

**Ilaria Fava**

**University of Göttingen,  
State and University  
Library**

# The WHAT

**A delivery channel connecting the demand-side and the supply-side which showcases the potential of integrated and coordinated access to European services, data and other scientific outputs**

# The WHY

- ) 1. provide background information on the EOSC**
- ) 2. showcase “EOSC in practice” use cases**
- ) 3. list (and provide access to) the available services**

# The WHO

## THE EOSC PORTAL PARTNERS
